

Remarks

The amendments to claims 13, 37, 61, 85, 109 and 133 have been made to establish antecedent basis for the term "the second output." Support for these amendments is found in original claim 1 and in the specification on page 4, lines 6-19. Claim 165 was amended to correct the inadvertent misnumbering of that claim.

Respectfully submitted,

Matthew K. Hillman, Reg. No. 45,892
Attorney for Applicants
